Amended Complaint

I received this Amended on June 19, 2003. to inform me to provide the courts with the following information. (1) A description of the allegedly inadequate medical care and the medical care was inadequate, an explanation of how each Defendant was personally involved in providing me with inadequate medical care. And all facts that support my contention that the dentist at the Pine Bluff unit was not qualified to extract my wisdom tooth and specific medical treatment I seek for my teeth. First of all I am not saying that the Dentist at the Pine Bluff unit was not qualified to take care of a wisdom tooth, I am saying that when I was called in the Dentist office his assistant said that Dr. Field had called and told them that I was acting like a big baby and she also asked the Dentist if he wanted to take a look in my mouth at the tooth and he said no just get him ready I will pull it out. How can he say that without looking at my tooth or not taking X-rays that's why I wouldn't let him and I refused treatment as they call it that to me was not treatment. Now Dr. Field and His Assistant really didn't know what they were doing so on those grounds I can say that neither one of them was qualified and in the end of all of it they blame me for their mistake and Ms. Matthews was very unprofessional and very disrespectful to me. Nurse Crawford and officer CO II Southern can witness the pain they caused me, I have already sent you the response to the grievance form that I got back June 2, 2003 and I even mailed it off along with my first Amended Complaint cause I went back to see Dr. Field concerning my gums swelling and he gave me X-rays that time and said I could have oral cancer in my gums and made me an appointment to go back to Pine Bluff to see a specialist about the matter and still I haven't seen anyone. I am sending you a letter of my first complaint and let me know if you got my mail that I sent off with the response to my grievance on June 2, 2003. I mailed it off June 2, 2003. [Signature] P. L. Mr. Gray,

Your file shows on 4/18/03 that you did not want Dr. Fields to finish your dental treatment. Your file shows on 4/24/03 you were transferred to a specialist in Pine Bluff, and that you refused treatment there.

Please explain what it is that you want if not for the dental staff to meet your dental needs.

To Whom this may concern,

I WAS CALLED to the INfirmary yesterday to have two teeth pulled and one more inmate that was in my barrack went as well. His name is JOHNNY WATERS, he was in there when I went in CASE mine was the worst, he had two pulled also and wasn't in there 15 min. and to me they done a really good job on him. Two other inmates came in when he was in there and once he came out I was next but the other two were only going to get there teeth looked at so they were called before me and I told the Doctor a few days before I was afraid of this and hadn't been to the Dentist in 7 or 8 years and I couldn't take pain too well. Now I am in it's my turn and we talk and then he gives me two or three shots to numb me, he waits about 5 min. and then he ask me is my lips numb yet I tell him not yet so he gives me one or two more shots and now that makes five shots I have taken so I shouldn't feel a thing. He starts and 20 or 30 min. later he gets the first tooth out it's the left back one and it really was my wisdom tooth and he should have never tried to pull it out it should have been cut out, that's why he should have taken pictures of it to make sure what he was facing but he didn't. So after a whole hour or so on this tooth that I still have in my mouth and a lot of pain and yelling and crying he stopped cause the nurse in the infirmary Ms. Crawford and the officer that was working the door heard me crying and screaming for him to stop and yelling. He stopped and got mad at me cause it wouldn't come out and then told me to come down and take a mother break and then he gave me two more shots and wanted to try again and then he ask me to sign some papers and I refused so he said the tooth is in your gums and it's a long root and he ask me to come back Tuesday and let him look at it and he might have to send me to Pine Bluff Unit and have them cut it out. I think I have grounds for a mount practice suit and pain and suffering. Please respond as soon as possible and I have a case I can't remember the

Case number and the courts gave me a lawyer on it in May or June of last year the lawyers name is Robert L. Collman of Blytheville, Ar. I have been back in prison and havnt talked to him and the last time I got a letter from him he was going to drop my case cause I couldnt get a ride to come to his office and it was on Randy Bellvies of the Lepanto Police Department and I havnt heard from yall since I have been back in prison and I just got the address and would like to know whats going on with that case and here are my papers when my probation was violated cause I dont want it dropped. Thank you for your time and pleas get back with me and let me know something concerning this situation and my old case.

Sincerely Rubby James Gray
